

Nationwide Wholesale Voice and Data Services

Connecting America Since 1993

HIGH QUALITY SERVICES

Through established partnerships and interconnections, network redundancy and solution scalability, you can depend on TouchTone for high quality services, at the very best rates.

UNPARALLELED SUPPORT

Each account is assigned a dedicated account manager, who with the help of TouchTone's technical engineers, are involved throughout the entire process and lifespan of the solution - including transitioning from TDM to VoIP.

20+ YEARS OF EXPERIENCE

As a facilities-based carrier with over 20 years of industry experience, you can be certain that your customers will be getting the very best quality and availability - no matter where the location.

WHY TOUCHTONE COMMUNICATIONS

TouchTone helps ILECs, CLECs, cellular providers, cable MSOs, and VoIP carriers leverage a complete suite of wholesale voice and data services to help expand their footprint and lower overall costs.

We actively invest in our infrastructure and technology, as well as cultivate our carrier relationships so that we can continue to bring more value to our customers and partners. With over 20 years of continuous growth and a proven track record of delivering quality products and support, you and your customers can depend on TouchTone for all of your communication needs.
