

Business Connect POTS over LTE

Replace your old dial-up phone and fax lines with POTS over LTE. Unlimited calling* and fax only \$24.99/month.

Business Connect is a wireless solution that provides a convenient and cost-efficient alternative to traditional landline phone service. With a built-in back up battery, service works even during power outages.

- ✓ Runs over a 4G LTE network to provide reliable, high quality voice
- ✓ Connect up to two telephones**
- ✓ Keep your existing number
- ✓ Supports fax machines
- ✓ Features include: caller ID, call waiting, call forwarding, 3-way calling, voicemail, and last number callback
- ✓ Access to 411/911

Setup in Minutes!

TouchTone's Business Connect POTS over LTE kit provides everything you need to easily make the switch. Setup takes a matter of minutes. Simply plug one end of your phone cable into the Business Connect box and the other end to your telephone. It's really that easy!

Device may not be compatible with certain security systems and medical monitoring devices. Please check with your provider to confirm the compatibility requirements.

**Unlimited calling includes calling to the continental U.S. Reasonable and acceptable use policies apply. International rates vary.*

***Business Connect supports up to two telephones/fax lines with the same phone number.*
