

Earn up to **1.5X MRC + \$950** on Verizon Internet Dedicated Ethernet

In addition to TouchTone's current Dedicated Internet SPIFF (3 year term pays 1.5X MRC), agents can also earn an additional one-time payout on qualifying Verizon Internet Dedicated Ethernet (IDE). Terms for the Verizon IDE bonus can be found below.

- New service for Verizon IDE Type 1 and Type 2 (Zone 1) access. Internet Essentials is not eligible for this promotion.
- Eligibility period: May 1, 2023 – October 1, 2023.
- 3-year term required.
- SPIFF based on port speed as outlined below.

Speed	SPIFF
20 Mbps	\$170
50 Mbps	\$300
100 Mbps	\$400
1G	\$950

- This one-time SPIFF payout will be paid in addition to TouchTone's standard residual commissions and bonuses (which includes a one-time 1.5X MRC bonus payout on 3-year terms). The terms specific to the 1.5X MRC bonus payout can be found at touchtone.net/promotions/terms.html.
- Bonuses are for retail business only. Wholesale, resale, and non-retail accounts are not eligible.
- Both TouchTone Communications and Verizon reserve the right to add, delete, modify, or terminate the terms of this program for any reason that it may deem necessary. If any discrepancies exist between this document and the Agent Agreement, then the terms of the Agent Agreement shall prevail.

Knockout competitors with award-winning services from Verizon!
